WELCOME EVERYONE TO THE 161ST BOBCAYGEON FALL FAIR!

Once again i am honoured to be president of the Bobcaygeon Fall Fair. I come from a long line of volunteers and fair members. My grandfather Joe Wilson volunteered at the fair for many years and was known for showing his hackney horses. Following in his footsteps, and those of my parents, I began to volunteer my time with an event that interested me - the truck & tractor pull.

Since that time I've had the pleasure of working alongside many great members of our community on our fairboard who are driven by a shared desire to keep our fair alive for the next generation. I hope to continue to watch our fair grow and succeed with a strong foundation in our traditions and the fresh ideas of new volunteers joining our team. Please consider learning about how you can get more involved with your favourite fair events. Helping hands and new ideas are the keys to ensuring our long term success.

Our fairboard is made up of many different committees who work hard throughout the year to plan fun and educational programs, entertainment and exhibits each fall. I encourage you to come out with family and friends to enjoy all that the fair has to offer ... from the midway and vendors, to the livestock shows, homecraft, and talent show- there is something for everyone to enjoy!

Finally, i would like to extend a huge thank you to our fairboard and many hard working volunteers for their tireless efforts and dedication. Without these people we would not have the fair we all look forward to each fall. Please join us in celebrating 161 years of the Bobcaygeon Fall Fair!

Your 2019 president
Josh Wilson

Ambassador's Message

It has been my honour and pleasure to represent the Bobcaygeon Agricultural Society this year as the 2018-2019 Ambassador. I was raised outside of Bobcaygeon, and the Fall Fair has been a longstanding tradition in my family and is by far my favourite event of the year. I have always participated in the fair in one way or another. Whether simply an onlooker at the tractor pull, participating in the 4-H horse shows, or volunteering with the educational school visits, this fair has always had a special place in my heart. Events like these are also a great way to bring the community together and celebrate the agricultural aspects of our lives.

Becoming the Ambassador has been an amazing experience for me in so many unexpected ways. This opportunity provides so many chances to meet other ambassadors from all across Ontario and really open your eyes to what Agricultural Societies do for their communities. It has also provided a different perspective and appreciation to the inner workings of the fair and all the hard work that goes into it. It has been amazing to have this opportunity to represent my community at events such as the 2019 Ontario Association of Agricultural Societies Convention and I look forward to competing at the CNE this August.

For anyone who is wanting to try something new, I highly recommend the ambassador program as a great way to meet new people and create memories along the way.

I cannot express enough thanks to the board of directors, and the many volunteers that come together each year to make the Bobcaygeon Fall Fair possible. I look forward to seeing everyone this September, for the Bobcaygeon Fall Fair truly is the 'Daddy of 'em All'!

Thanks again,

Lucia Beggs

2018-2019 Bobcaygeon Fall Fair Ambassador
